

New SpeedFax Search

COMPAS Release Update, November 2019

Introducing the **New and Advanced SpeedFax search** to provide simplified search results that you need in a click.

Improvements:

- You can type in a sentence that describes the information you are looking for and we provide the information for you
- You can select any product that you need to search
- We've provided the simplified search results
- Saves you a lot of time for you for searching information in SpeedFax

Who can use this?

All COMPAS Go users
